Peoria Chamber of Commerce
Career Matching Program

Please check the experience (s) you would like to pursue as part of our Career Matching Program:

☐ **Career Connection**
Select this if you simply want the opportunity to connect with a professional in your desired career or industry and ask them questions so that you can better determine if that is the right career for you.

☐ **Career Shadowing**
Spend a few hours meeting with a business to better understand "A Day in the Life" and determine if that type of role is right for you.

☐ **Internship**
Start gaining valuable experience in your desired industry or profession with an internship!

Personal Information:
