

JOURNEY[®] SCHOOL

Journey School of Peoria is reaching out to our first responders, medical personnel, truck drivers and active military families who are in need of childcare in order to serve the needs of others. As a community school ourselves we strive to maintain healthy balanced relationships with all of our community members and families.

We are offering free registration fees and free extended hours for those who are in need of childcare. We will take full-time, part-week and drop-ins (when available). We take ages 6 weeks to 12 years.

All tuition includes meals. Breakfast, lunch, snack and now dinner for those who need care after 6pm. Chef Kia prepares these meals fresh daily with our food being 85% organic. Rest assured your children will eat healthy while in our care.

We offer special classes that are included as well. Those include Spanish, Gardening, Art, Yoga and Dramatic Play.

You can be confident that while you are taking care of our community member's we will be loving and nurturing your children. We are so grateful for all of you and your hard work and want you to know that you are in our thoughts and prayers during this crisis.
